Dear Mr. Kleczka,

On behalf of all of us at Little Flower Children and Family Services of New York we would like to extend our sincerest thanks for your generous donation of 12 duffel bags of gifts. Your generosity fulfilled hundreds of Christmas wishes this year and brought joy and happiness to the children, families and disabled adults we serve.

Today, Little Flower has an expansive list of programs ranging from foster care and adoption services to a youth residential treatment center and services for disabled adults. It is donations like yours that allow us to continue running these programs and develop new ones as we continue our goal of improving the lives of children and families.

We could not do this without your help. On behalf of all those in Little Flower's care, thank you for helping make the season bright.

Sincerely,

Maureen Fox
